Dear Chairman Abramson and Chairman Morrell:

On June 10, 2018, a copy of the Notice of Intent for the above-reference proposed rule was electronically mailed to you for review. The primary purpose for this rule is to require and provide for the electronic filing of the Corporation Franchise, Corporation Income, Partnership, and Fiduciary Income (Estates and Trusts) tax returns. The Secretary’s authority to require the electronic filing of returns and reports by administrative rule promulgated with legislative oversight in accordance with the Administrative Procedure Act is authorized by Act 150 of the 2017 Regular Session of the Louisiana Legislature. Additionally the Notice of Intent amends and adopts the Mandatory Electronic Filing of Tax Returns and Payment Rules.

The Notice of Intent was published on page 1166 in the June 2018 issue of the Louisiana Register. A public hearing was held at the LaSalle building on Thursday, July 26, 2018, and there was only one attendee (Linda Babin with the Society of Louisiana CPAs) who had no substantive comments to make. Additionally, we received no written comments from the public on the proposed rule.

This report is being made in accordance with R.S. 49:968(D)(1)(b) of the Administrative Procedure Act. Unless otherwise directed, our rule will be submitted for publication in the September 2018 issue of the Louisiana Register.
Should you have any questions or need additional information, please contact Vanessa LaFleur, Director, Policy Services Division, at Vanessa.LaFleur@la.gov or (225) 219-2780.

Before a waiver will be considered, taxpayers must furnish the department with documentation proving that due diligence was exercised and that the delay was clearly beyond their control.

FISCAL AND ECONOMIC IMPACT STATEMENT
FOR ADMINISTRATIVE RULES
RULE TITLE: Mandatory Electronic Filing of Tax
Returns and Payments

I. ESTIMATED IMPLEMENTATION COSTS (SAVINGS) TO
STATE OR LOCAL GOVERNMENT UNITS (Summary)
This proposal adopts rules that require electronic filing of
certain Corporation Income Tax returns, certain Corporation
Franchise Tax returns, certain Partnership Income returns, and
certain Fiduciary Income Tax returns. The proposal requires a
local or wireless telecommunication service company operating
in Louisiana to remit the tax collected for the Telecommunication for the Deaf Fund by electronic transfer.
This proposal also provides for the assessment and waiver of
penalties for non-compliance. Finally, this proposal requires
electronic filing for withholding tax, and no longer allows the
withholding tax annual return filing via CD or DVD.

Implementation of this proposal will not result in material
additional costs or cost savings to governmental units.
Computer system acceptance of the required electronic returns
is already in place for returns other than Fiduciary, and LDR is
implementing electronic filing of Fiduciary returns as an
ongoing enhancement of its collection efforts. Accounting for
non-compliance penalties will not result in material additional
costs.

II. ESTIMATED EFFECT ON REVENUE COLLECTIONS OF STATE
OR LOCAL GOVERNMENTAL UNITS (Summary)
This proposal may increase revenues from penalties by an
indeterminable amount. A modest and temporary increase in
revenue from penalties is possible as the proposed rule is
implemented, although LDR cannot predict non-compliant
behavior. For information, on returns that are currently required
to be filed electronically, LDR collected approximately
$16,000 in FY15, $20,000 in FY16, and $7,000 in FY17. For
the most recent year reported, 32,000 of 56,000 Corporate
Income and Franchise returns were filed electronically.
Information on other return types is unavailable.

III. ESTIMATED COSTS AND/OR ECONOMIC BENEFITS TO
DIRECTLY AFFECTED PERSONS OR NONGOVERNMENTAL
GROUPS (Summary)
LDR does not have the information necessary to determine
the additional costs to comply with this change, but these costs
are expected to be minimal, as online access and activity has
largely become a business standard. To the extent
non-compliance penalties are collected, affected taxpayers will
incur penalty costs. LDR cannot estimate the additional
penalty amount.

IV. ESTIMATED EFFECT ON COMPETITION AND EMPLOYMENT
(Summary)
This proposal is not expected to have any significant effect
on competition or employment.
