

Addendum

Please be informed that it has been deemed to be in the best interest of the State of Louisiana and the Department of Revenue to amend the Request for Proposals for providing a Case Management and Audit tracking system, File number 06-136, which was released to the interested proposers on April 5, 2006. The amendment is to reflect the revised relevant items on the proposer qualification and experience (Section 1.5 C) of the RFP.

Page 6, Section 1.5 C Proposer Qualifications and Experience, 1st paragraph, 2nd sentence now reads:

The proposer must have implemented an audit tracking and case management system or similar system in at least three other state revenue agencies.

THIS SENTENCE IS HEREBY CHANGED TO READ:

"The proposer must have implemented an audit tracking, case management, or similar system in other governmental agencies."
