The above named purchaser hereby certifies that all materials, equipment, and machinery purchased from the vendor named below will enter into and become a component part of ships, vessels, or barges, including commercial fishing vessels, drilling ships, or drilling barges, of fifty tons load displacement under construction, or will be added as an additional (not a replacement) component of an existing such vessel.

This certificate may not be used on purchases of repair or maintenance parts for 50 ton vessels, nor may it be used to purchase repair service work.
