will be manufactured homes, or will be tangible personal property that will become component and integral parts of manufactured homes held by the purchaser for resale, or will be an accessory that will be taxed as part of the manufactured home at the time of registration and titling in Louisiana. The individual manufactured home on which the property will be installed, or to which the service will be rendered, will be identified to the seller at the time of purchase, as required by the Louisiana Department of Revenue. I am claiming exemption from the payment of state sales and use taxes on my purchases from you under Louisiana R.S. 47:301(16)(g) of the sales tax law. I agree that if my purchases from you are later held subject to the sales or use tax, I assume full liability therefor. This certificate will remain in effect until the scheduled expiration date of my current dealer retailer license on December 31, 20_____, unless the license expires, is revoked, or the business closes operation sooner.
