This certifies that the above named purchaser is in the business of producing iron using the direct reduced iron process. Natural gas when used in this process is exempt from the Louisiana general sales/use tax imposed by Louisiana Revised Statutes 47:301 et seq. It is understood that the use of the natural gas for any purpose other than in the direct reduced iron process will subject the natural gas to a use tax liability on its cost or fair market value at the time of such other use.

AUTHORIZATION

Under penalties of perjury, I declare that I have examined this exemption certificate and to the best of my knowledge and belief, it is true, correct and complete.
