

**Underpayment of Individual Income
Tax Penalty Computation**

2007 Taxable Year Nonresident Professional
Athlete

GENERAL INFORMATION

- A. Louisiana imposes an underpayment penalty on an individual's failure to sufficiently pay income tax throughout the year by withholding or declaration payments. If adequate tax was not paid in a period, you may owe a penalty of twelve percent per annum (12%) on the underpayment.
- B. **FILING AN ESTIMATE AND PAYING THE TAX FOR CALENDAR YEAR TAXPAYERS** – If you file a return on a calendar year basis and are required to file Form IT-540ES, Estimated Tax Declaration for Individuals, you are generally required to file estimated tax by April 15, and to pay the tax in four installments. If you are not required to file estimated tax until later in the year because of a change in income, you may be required to pay in fewer installments. Below is a table that shows the due date(s) for estimated tax and the maximum number of installments required.

Period in Which Requirements Are First Met	Due Date of Payment	Maximum Number of Installments Required
Between Jan 1 and April 1	April 16, 2007	4
After April 1 and before June 2	June 15, 2007	3
After June 1 and before Sept 2	Sept 17, 2007	2
After September 1	Jan 15, 2008	1

- C. In order to properly complete Form R-210NRA for 2007, you will need the following information:
1. A copy of your 2006 Louisiana individual income tax return.
 2. Your 2007 Louisiana individual income tax return.
 3. The dates and amounts of your declaration payments made for the 2007 taxable year.
 4. The date and amount of your extension payment for 2007, if any.
- D. **Complete Exception 1 on page 3 to determine if you are possibly subject to an underpayment penalty for any period.** Exception 1 determines if your tax liability exceeds the threshold that subjects you to an underpayment penalty. If you do not meet Exception 1, complete Form R-210NRA and attach it to your 2007 Form IT-540NRA. Exceptions 2 through 5 determine if the amount that was paid for a period satisfies the required period payment as calculated by the specific exception. You may apply a different exception to any period. Once you have determined an exception exists, you do not have an underpayment for that period.
- E. When applying credits and withholding to a period, you may equally distribute (based upon the number of months in the period) the amounts to each period. You may use the actual date those amounts were withheld or the date on which the credit was earned. Any extension payments or composite partnership return payments made on or before January 15, 2008, must be applied to the fourth installment period. Any credit carry forward from the 2006 tax year to the 2007 tax year must be included in the first installment period.

INSTRUCTIONS – FORM R-210NRA

Section 1 – Required annual payment

The required annual payment **is the lesser of:** ninety percent (90%) of your 2007 Louisiana income tax liability OR one hundred percent (100%) of your 2006 Louisiana income tax liability. The period of underpayment shall run from the date the installment was required to be paid to whichever of the following dates is earlier: the 15th day of the fourth month following the close of the taxable year OR the date on which any portion of the underpayment is paid but limited to the amount of such payment.

Line 1 – Ninety percent (90%) of current year’s tax liability. Use the steps below to compute this amount from your **2007** Form IT-540B-NRA.

- | | |
|---|-----|
| 1. Enter your Adjusted Louisiana Income Tax from 2007 Form IT-540B-NRA, Line 14. | .00 |
| 2. From 2007 Form IT-540B-NRA, add Lines 15C and 15D. Print the result here. | .00 |
| 3. Subtract Line 2 from Line 1 above and the print the result here. | .00 |
| 4. Multiply Line 4 by 90% (.90) and print the result here and on Form R-210NRA, Line 1. | .00 |

Line 2 – One hundred percent (100%) of previous year’s tax liability. Use the steps below to compute this amount from your **2006** Form IT-540NRA.

- | | |
|--|-----|
| 1. Enter your Adjusted Louisiana Income Tax from 2006 Form IT-540B-NRA, Line 14. | .00 |
| 2. Enter the Amount of Credit from 2006 Form IT-540B-NRA, Line 15B1. | .00 |
| 3. Subtract Line 2 from Line 1 above and the print the result here and on Form R-210NRA, Line 2. | .00 |

Line 3 – Enter the smaller of Line 1 or Line 2 from Form R-210NRA. If no return was filed for 2006, use the amount from Line 1 of Form R-210NRA.

Line 4 – Number of installments. Generally, a person is required to make four installments beginning on April 15, 2007. You may be required to pay in fewer installments if you had a change in income. Enter the number of installments required to be paid. (See General Information, Item “B.”)

Section 2 – Underpayment computation

Line 5 – From Section 1, divide Line 3 by Line 4. Round to nearest dollar and enter the results in the appropriate columns.

Line 6 – For each period, enter the amounts paid on estimated tax, withholding, and credit carry forward. Include any extension or composite partnership payments made on or before January 15, 2008 in the last period. (See General Information, Item “E”.)

Line 7 – An overpayment in one period may be carried forward to the next period. If an amount on Line 6 is greater than an amount in the same column of Line 5, then an overpayment exists for that period. Determine the carryforward amount by subtracting Line 6 from Line 5. If the amount is negative, then you have a carryforward for that period. Overpayments from previous periods may be carried forward and applied to later periods. Overpayments may not be carried back to a previous period.

Example:

	04/16/07	06/15/07	09/17/07	01/15/08
From Section 1, Divide Line 3 by amount on Line 4.	400.00	400.00	400.00	N/A
Enter amounts paid.	500.00	600.00	350.00	N/A
Under/overpayment of installment	-100.00	-200.00	50.00	N/A

In the above example, an overpayment of \$100 exists for the first period and \$200 for the second period. These two overpayments may be carried forward to the third period, thus resolving the two overpayments for these periods.

Line 8 – Adjust your payments for any period by any carry forward amount. See Line 7 above. The sum of all amounts on Line 8 must equal the sum of all amounts on Line 6.

Line 9 – Determine the underpayment or overpayment for each period. With respect to the same column, if the amount on Line 5 is greater than the amount on Line 8, then an underpayment exists for that installment period. Subtract Line 8 from Line 5 and enter the amount in the appropriate column. If Line 5 is less than Line 8, then an overpayment exists for that installment period. Subtract Line 5 from Line 8 and enter the overpayment in the appropriate column.

Section 3 – Exceptions

Line 10 – Exception 1

You are **not** legally responsible for an underpayment penalty if your tax liability does not **exceed** one thousand dollars (\$1,000). For persons filing a joint return no underpayment penalty is imposed if the amount of your tax liability is two thousand dollars (\$2,000) or less. Use the calculation below to determine if your 2007 tax liability exceeds one thousand dollars (\$1,000) **per person**.

Exception 1	
1. Enter the amount from your 2007 Form IT-540B-NRA, Line 12.	.00
2. Enter the amount from your 2007 Form IT-540B-NRA, Line 13.	.00
3. Enter the amount from your 2007 Form IT-540B-NRA, Line 15B	.00
4. Subtract Lines 2 and 3 from Line 1 and enter the result.	.00
5. Enter any extension payment(s) made after January 15, 2008 that are included on your 2007 Form IT-540B-NRA, Line 15B.	.00
6. Add Line 5 to Line 4 and enter result here.	.00
7. If your filing status is Single, Married Filing Separately, Head of Household, or Qualifying Widow(er) AND the amount on Line 6 above is less than or equal to \$1,000, STOP – NO PENALTY IS DUE.	
8. If your filing status is Married Filing Joint AND the amount on Line 6 above is less than or equal to \$2,000, STOP – NO PENALTY IS DUE.	
IF YOU MEET THIS EXCEPTION, DO NOT PROCEED WITH ANY OTHER CALCULATIONS. YOU DO NOT OWE AN UNDERPAYMENT PENALTY.	

Line 11 – Exception 2 – Prior Year’s Tax Liability. This exception does NOT apply if you did not file a 2006 IT- 540B-NRA. This exception applies if your 2007 payments (withholding, declarations, and any extension payments made before January 15, 2008) equal or exceed your 2006 income tax liability for each installment period. Your Louisiana income tax return for 2006 must have covered a full twelve month taxable year and must have reflected an income tax liability.

Exception 2									
Line A – In each column, enter the total amount of payments for the indicated period. Payments include declarations, withholding, and any extension or composite partnership payments made on or before January 15, 2008.									
Line B – Use the amount from Line 2 of Form R-210NRA. This is 100% of your 2006 tax liability. Multiply the 2006 tax liability by the percentage in each column and print the result.									
A. Total amount paid and withheld from January 1, 2007, through the installment date indicated.	<table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="width: 25%;">April 16, 2007</th> <th style="width: 25%;">June 15, 2007</th> <th style="width: 25%;">Sept. 17, 2007</th> <th style="width: 25%;">Jan. 15, 2008</th> </tr> </thead> <tbody> <tr> <td style="text-align: center;">.00</td> <td style="text-align: center;">.00</td> <td style="text-align: center;">.00</td> <td style="text-align: center;">.00</td> </tr> </tbody> </table>	April 16, 2007	June 15, 2007	Sept. 17, 2007	Jan. 15, 2008	.00	.00	.00	.00
April 16, 2007	June 15, 2007	Sept. 17, 2007	Jan. 15, 2008						
.00	.00	.00	.00						
B. Amount from Line 2, Form R-210NRA 2006 income tax (_____). Multiply the 2006 tax by the percentage in each column.	<table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="width: 25%;">25%</th> <th style="width: 25%;">50%</th> <th style="width: 25%;">75%</th> <th style="width: 25%;">100%</th> </tr> </thead> <tbody> <tr> <td style="text-align: center;">.00</td> <td style="text-align: center;">.00</td> <td style="text-align: center;">.00</td> <td style="text-align: center;">.00</td> </tr> </tbody> </table>	25%	50%	75%	100%	.00	.00	.00	.00
25%	50%	75%	100%						
.00	.00	.00	.00						
If Line A is greater than or equal to Line B, then the period has met the exception. On Line 11 of Form R-210NRA, print “Exception” for each period exempted. If you have an exception for all periods, you do not have an underpayment penalty.									

Line 12 – Exception 3 – Prior Year’s Income. This exception does NOT apply if you did not file a 2006 IT- 540B-NRA.

This exception applies if your 2007 payments equal or exceed the tax computed on prior year’s income using 2007 rates and filing status.

Exception 3

Line A – In each column, enter the total amount of payments for the indicated period. Payments include declarations, withholding, and any extension or composite partnership payments made on or before January 15, 2008.

Line B – Use the following worksheet to compute the amount for Line B.

1. 2006 Taxable Income. Income, from your 2006 Form IT-540B-NRA, Line 11. _____ .00
2. Compute tax on above amount using 2007 filing status and 2007 Tax Computation Worksheet shown below. _____ .00
3. Enter 2006 Non-refundable Credits, from your 2006 Form IT-540B-NRA, Line 13. _____ .00
4. Enter 2006 Refundable Credits, from your 2006 Form IT-540B-NRA, Line 15B1. _____ .00
5. Subtract Lines 3 and 4 from Line 2. _____ .00

A. Total amount paid and withheld from January 1, 2007, through the installment date indicated.	April 16, 2007	June 15, 2007	Sept. 17, 2007	Jan. 15, 2008
	.00	.00	.00	.00

B. 2006 tax. Multiply the 2006 recomputed tax (Line 4 above) by the percentage in each column.	25%	50%	75%	100%
	.00	.00	.00	.00

If Line A is greater than or equal to Line B, then the period has met the exception. On Line 12 of Form R-210NRA, print “Exception” for each period exempted. If you have an exception for all periods, you do not have an underpayment penalty.

2007 TAX COMPUTATION WORKSHEET

A	Taxable Income: Print the amount from Line 11 of Form IT-540B-NRA.	A		00
B	First Bracket: If Line A is greater than \$12,500 (\$25,000 if filing status is 2 or 5), print \$12,500 (\$25,000 if filing status is 2 or 5). If Line A is less than \$12,500 (\$25,000 if filing status is 2 or 5), enter amount from Line A.	B		00
C	1. Combined Personal Exemption – Standard Deduction: If your filing status is 2, 4, or 5, print \$9,000; if 1 or 3, enter \$4,500.	C1		00
	2. Credit for Dependents: Print \$1,000 for taxpayers and/or spouses who are 65 or over, or blind, and for each dependent claimed on Line 6C of Form IT-540B-NRA.	C2		00
	3. Total: Add Lines C1 and C2, and enter the result here.	C3		00
D	Ratio: Enter the ratio from Form IT-540B-NRA, Line 9.	D		%
E	Allowable Deduction: Multiply Line C3 by the ratio on Line D, and enter the result here.	E		00
F	Taxable First Bracket: Subtract Line E from Line B. Multiply balance by 2% (.02) and enter the result in the TAX column.	F		00
G	Second Bracket: Subtract Line B from Line A; and, if the balance is greater than zero, enter the balance or \$12,500 (\$25,000 if filing status is 2 or 5), whichever is less. Note: Reduce this amount by the amount that Line E exceeds Line B. Multiply balance by 4% (.04), and enter the result in the TAX column.	G		00
H	Third Bracket: Subtract \$25,000 (\$50,000 if filing status is 2 or 5) from Line A, and enter the balance. If less than zero, enter “0.” Multiply the balance by 6% (.07), and enter the result in the TAX column.	H		00
I	Total Tax: Add the amounts in the TAX column on Lines F, G, and H.	I		00

Line 13 – Exception 4 – Annualized Income

This exception provides for annualizing the income for the 1st, 2nd, and 3rd **quarters**. This exception applies if your 2007 payments equal or exceed ninety percent (90%) of the tax computed on annualized income for **the period ending based on calendar quarters. Important: Except for the first installment period, the remaining installment periods do not coincide with calendar quarters.** You must be careful when calculating your payments for each quarter. “Annualized income” means the actual income (Federal Adjusted Gross Income – “AGI”) received during the period.

Complete Lines A through L. Compare the amount in each column of Line L to the corresponding column on Line M. If Line M is equal to or greater than the amount on Line L, you have met the exception for that period. If using this exception, please attach a schedule indicating your computation for the federal income tax deduction taken on Line D. On Form R-210NRA, Line 13 print “Exception” for each period exempted. If you have an exception for all periods, you do not have an underpayment penalty.

	01/01/07 through 03/31/07	01/01/07 through 06/30/07	01/01/07 through 09/30/07
A. Enter your AGI for each period00	.00	.00
B. Annualization factors	4	2	1.33
C. Multiply Line A by Line B.....	.00	.00	.00
D. Enter federal income tax associated with the income for each period00	.00	.00
E. Multiply Line D by corresponding annualization factor on Line B.....	.00	.00	.00
F. Subtract Line E from Line C.....	.00	.00	.00
G. For the amounts on Line F, determine the correct Louisiana tax based upon filing status and number of exemptions claimed on Line 6D of your 2007 Form IT-540B-NRA.00	.00	.00
H. Enter the amount of nonrefundable and refundable credits associated with each period. Refer to 2007 Form IT-540BNRA, Lines 13C, 15C, and 15D.00	.00	.00
I. Multiply Line H by corresponding annualization factor on Line B.....	.00	.00	.00
J. Subtract Line I from Line G.00	.00	.00
K. Applicable percentage	22.5%	45%	67.5%
L. Multiply Line J by Line K.00	.00	.00
M. Enter total of credit carry forward, declarations and withholding associated with each period . First, second, and third period declaration payments paid during the extended time to file should be attributed to their respective periods.	.00	.00	.00

Line 14 – Exception 5 – Installment Period Income

This exception is computed by paying an amount equal to ninety percent (90%) of the tax computed, at the rates applicable to the taxable year, on the basis of the actual taxable income for the months in the taxable year ending before the month in which the installment is required to be paid. Complete Lines A through G. For each column, compare the amount on Line G to the amount on Line H. If Line H is equal to or greater than the amount on Line G, you have met the exception for that period. If using this exception, please attach a schedule indicating your computation for the federal income tax deduction taken on Line B. On Line 14 of Form R-210NRA, print “Exception” for each period exempted. If you have an exception for all periods, you do not have an underpayment penalty.

	01/01/07 through 03/31/07	01/01/07 through 05/31/07	01/01/07 through 08/31/07	01/01/07 through 12/31/07
A. Enter your AGI for each period00	.00	.00	.00
B. Enter federal income tax associated with the income from Line A.00	.00	.00	.00
C. Subtract Line B from Line A and enter the result for each period.00	.00	.00	.00
D. Enter Louisiana individual income tax due using the 2007 Louisiana individual income tax Computation Worksheet. Determine tax based upon the total exemptions claimed on 2007 Form IT-540B-NRA, Line 6D.00	.00	.00	.00
E. Enter the amount of nonrefundable and refundable credits associated with each period . Refer to 2007 Form IT-540B-NRA, Lines 13C, 15C, and 15D.00	.00	.00	.00
F. Subtract Line E from Line D and enter the result for each period. This is your tax for each period.....	.00	.00	.00	.00
G. Multiply Line F by 90% (.90).00	.00	.00	.00
H. Enter the amount of payments and withholding for each period. First, second, and third period declaration payments paid during the extended time to file should be attributed to their respective periods.00	.00	.00	.00

Section 4 – Penalty Computation

Line 15 – Enter any underpayment in the appropriate column for each period that is not subject to one of the exemptions cited on Lines 11 through 14.

Line 16 – Enter the payment date that satisfies the underpayment. Note that the payment date may be the date you filed an extension or filed the return.

Line 17 – Compute the number of days from the due date of the installment to the date that the underpayment is satisfied OR the 15th day of the fourth month following the close of the taxable year, whichever is earlier. The installment due date for each installment is shown at the top of each column.

Line 18 – The penalty rate is 12 percent per annum (.12). The daily penalty rate is: .0329% (0.000329). Multiply the number of days late by the daily penalty rate to determine the penalty factor. Example: Assume the installment is 30 days late. The penalty factor is $30 \times 0.000329 = 0.00987$. Multiply the computed penalty factor times the amount of the underpayment and enter it in the appropriate column. To compute the underpayment penalty for farmers and fishermen, determine the number of days from January 16, 2008 to the date that the underpayment is satisfied OR the 15th day of the fourth month following the close of the taxable year, whichever is earlier. Use this number to compute the penalty factor.

Line 19 – Add the amounts on Line 18 and enter on Form R-210NRA, Line 19. This penalty must also be entered on Form IT-540B-NRA, Line 17 if you have calculated an overpayment on your 2007 return, and you failed to sufficiently pay income tax through-out the year. If you have a balance due on your 2007 Form IT-540B-NRA, Line 21, enter the amount from Form R-210NRA, Line 19 to Form IT-540B-NRA, Line 25.
