Louisiana Revised Statute 47:6025 allows a refundable tax credit to reimburse a corporation or a nontaxable entity that paid between January 1, 2011, and December 31, 2011, an assessment to fund the Louisiana Citizens Property Insurance Program as a part of its property insurance premium. You may claim the Louisiana Citizens Property Insurance Corporation assessment refund on this form or on the entity's income tax return, but not on both forms. Claiming the refund on both forms will delay the income tax return for review.
