HCR 11
Task Force
Sales Tax

1. **Reduce the state sales tax** to at least 4.0%
2. Eliminate certain exemptions from the sales tax base
3. **Expand** the sales tax **base** to include:
   - Services
   - Digital products
   - Non-residential utilities
4. **Include manufacturing machinery equipment** in the state sales tax base
5. Establish a **rebate** for state sales tax paid on manufacturing machinery equipment
Individual Income Tax

- The Task Force recommends either of two options for changes in the individual income tax structure.

- **OPTION 1** will require a constitutional amendment.
  - Expanded tax base with narrowed brackets
  - 25% rate reduction

- **OPTION 2** may be accomplished by legislative action.
  - Expanded tax base with narrowed brackets
  - No rate reduction
Corporate Income and Franchise Tax

• The Task Force recommends:
  1. Elimination of the deduction for federal taxes paid as proposed on the November 8, 2016, ballot. *(Did not pass)*
  2. Study by the Louisiana Department of Revenue (LDR) and the Louisiana Tax Institute of:
     • A move from single-entity taxation to combined reporting.
     • Phase-out or elimination of the corporate franchise tax.
Property Tax Reform

• The Task Force recommends that the Legislature:
  1. Maintain the **Homestead Exemption**.
  2. Ensure that local government continues to have a role in the decision-making process for granting access to the **Industrial Tax Exemption Program (ITEP)**.
  3. Phase-out the **Inventory Tax** over a ten year period.
  4. Phase-out the **Inventory Tax Credit** over a five year period.
  5. Phase-out the Ad Valorem Tax Credit for **Natural Gas** over a five year period.
  6. Maintain the Ad Valorem Tax Credit for **Offshore Vessels**.
  7. Maintain the Ad Valorem Tax Credit for **Telephone Company Property**.
  8. Limit the ad valorem tax exemption for **property owned by non-profit corporations or associations**.
LED incentives

1. Establish sunsets and genuinely skeptical review periods for all programs.
2. Continue to monitor and report on the performance of all incentive programs.
3. Revisit the wage requirement for the Quality Jobs program.
4. Restructure the Research and Development Tax Incentive (R&D) to limit participation to companies that receive a federal Small Business Innovation and Research grant.
5. Retain the Motion Picture Investor Tax Credit Program ("MPIC"), with modifications:
   - Change the "back-end" cap to a "front-end" cap
   - Modify the initial certification process to allow a project to count against the cap only after it commences active production
State & Local Relations

- Local governments need the **autonomy** to increase sales tax rates without the approval of the Legislature.
- **Sales and property tax reform** are essential to providing local governments the ability to raise sufficient revenues without depending upon the state.
- Local governments should increase the utilization of **payment in lieu of tax** (“PILOT”) agreements.
Louisiana Tax Institute
Louisiana Tax Institute

- Act 568 of the 2016 Regular Legislative Session created the Louisiana Tax Institute within the Department of Revenue
  - Serves as the official advisory tax law revision and reform agency of the state
  - Promotes and encourages the clarification and simplification of tax laws of the state and its political subdivisions
  - Will make recommendations to the Legislature
The first meeting of the Institute took place on January 6, 2017.

The work of the Institute will begin with studies on the following subjects:

- Recodification of R.S. 47:301
- Combined reporting
- Elimination, restructure, or phase out of the corporate franchise tax
- Corporate income tax deduction for interest and dividend income
Sales Tax Streamlining and Modernization Commission
The purpose of the Commission is to make sales tax recommendations to the Legislature.

The last meeting has been scheduled for January 24, 2017.

The Commission has compiled a set of preliminary recommendations for each state and local sales tax exemption.

The Commission will produce legislation for introduction in the 2017 Regular Legislative Session.
