The motion was seconded by Ms. LaFleur and with no further comment from members or the public the language for the portal was approved.

V. Discussion Items:

A. Update on Collection Agreements w/ Collectors

- A version of the collection agreements was provided to members at an earlier meeting for review. The agreement will likely be a Memorandum of Understanding (MOU) between the Commission and state and local collectors. The MOU will clarify the current statute and what the responsibilities and duties of the Commission as well as the Collectors are understood to be. It will also prevent court challenges for a one-year period. The term of the agreement was also discussed. Currently the agreement is drafted for a one-year period but Ms. Allen inquired if the agreement could be extended to a three-year period similar to an agreement with the Office of Motor Vehicles and the Uniform Local Sales Tax Board. Ms. Granier stated that some collectors have concerns with a three-year period for the agreements as it can likely exceed their terms. Ms. Robinson answered that the agreement is binding to the position, not the actual collector. Mr. Lagrange added that the LATA membership had substantial support of a one-year agreement with the Commission at their last meeting. Ms. Robinson asked if the agreements will be signed by the collectors, and if any other approvals will be needed prior to their signature. Ms. Krennerich answered that the agreements will be signed by the collector and no other approvals will be needed prior to signature by the collector. Chairman Krennerich will bring to the ULSTB membership on the length of the time and then discuss with the Collectors through the LATA.

B. Update on Remote Seller Commission Job Posting

- The job postings for the Commission are scheduled to be posted in the next week. Ms. Granier inquired as to how long the postings will be available and the response time. Mr. Morris answered that the positions will be posted for a minimum of five days and after the posting closes the qualified submissions will be submitted to the Commission for consideration and interviews.

- Ms. LaFleur suggested the creation of a personnel committee of Commission members to evaluate applications, consider persons for interviews and selection of persons to the positions. Ms. Allen made a motion to amend the agenda to add the creation of a personnel committee. The motion was seconded by Mr. LaGrange. With no opposition or public comment, a vote was
taken and the motion was passed unanimously by members. Ms. Allen then nominated Ms. LaFleur to chair the personnel committee and Mr. LaGrange seconded. With no other nominations or opposition, Ms. LaFleur was selected as the chair of the personnel committee. It was suggested that three other members also be on this committee.
