

LOUISIANA FORWARD

SUPPORTING OUR SCHOOLS

Savings for Schools

Provide **Higher Education** and **Local Schools Systems** with savings up to **\$300M** on teacher retirement debt

Permanent Staff Pay Raise

Teachers and staff will receive a permanent pay raise of **over \$2,000** on average

Prevent Budget Shortfalls

The Louisiana Forward Plan is **crucial** to providing **stable funding** to preserve long-term education investments

Without the Louisiana Forward Plan, Louisiana faces an imminent budget shortfall, which could lead to cuts in education funding and teacher pay. The plan is crucial for maintaining the financial stability of our schools.

What We Do:

- Teachers and staff get a well-deserved permanent pay raise of over \$2,000 on average
- Provides stable revenue to protect critical education services, like early childhood education
- Create savings for higher-education and local school systems by paying down retirement debt
