

# LOUISIANA FORWARD

## LOWERING THE COST OF PRESCRIPTION DRUGS

### Better Accessibility

Expand sales tax exemptions for **medical devices** such as glasses, wheelchairs, and walkers

### Prescription Drug Savings

### Life-saving tax breaks

Exempting items such as **kidney dialysis** and **radiation equipment**, providing **lower medical costs** to those who need it most

We have the opportunity to make Louisiana more accessible for those who are disabled, dealing with chronic illness, or other conditions by providing and protecting tax relief on essential medical items.

## What We Do:

- Provide a sales tax exemption for vehicles purchased and modified for use by disabled persons
- Mandate the state and local sales and use tax exemption for drugs prescribed by physicians or dentists
- Exempt purchases of restorative materials prescribed or used by a dentist
