Line 10, Columns A, B, C, D and E – Vendor’s compensation rate for each taxing authority: For each tax being reported on this return, there is a statutorily mandated vendor’s compensation rate. The Louisiana Domed Stadium District vendor’s compensation rate is 2 percent of the tax amount due. The Ernest N. Morial New Orleans Exhibition Hall Authority vendor’s compensation rate is 1 percent of the tax amount due. Beginning August 1, 2020, Act 27 of the 2020 First Extraordinary Session of the Louisiana Legislature provides the State of Louisiana vendor’s compensation rate is 1.05% of the tax amount due. However, LA R.S. 47:306(A)(3)(a) imposes two restrictions on the State of Louisiana’s vendor’s compensation. Under one restriction, the sales tax imposed pursuant to LA R.S. 47:321.1 is not eligible for vendor’s compensation. As a result, a mathematical calculation is performed to determine the correct vendor’s compensation rate based on the state sales tax rate in each column that is reported on this return. The second restriction limits the State of Louisiana’s vendor’s compensation to $1,500 per Louisiana dealer per calendar month. See Revenue Information Bulletin No. 20-015.

Vendor’s compensation is allowed only when the dealer remits all sales tax shown as due on the return. Partial vendor’s compensation for a partial payment of sales tax due is not allowed.

Line 11A, Columns A, B, C, D and E – Vendor’s compensation: Multiply Line 9 by the appropriate vendors’ compensation rate found in each column on Line 10.

Line 11B, Columns A, D and E – Vendor's compensation donation: Taxpayers may donate all or any portion of the vendor’s compensation allowed on the State of Louisiana sales tax listed on Line 11A to The Louisiana Military Family Assistance Fund. Line 11B cannot exceed Line 11A.

Line 11C, Columns A, D and E – Vendor’s compensation applied to return: This line equals the amount of vendor’s compensation applied to this return after any donation of the vendor’s compensation to The Louisiana Military Family Assistance Fund. This line cannot be less than zero. This applies only to the vendor’s compensation allowed by the State of Louisiana (Columns A, D and E).

Line 13, Columns A, B, C, D and E – Delinquent penalty: A return becomes delinquent on the 21st day of the month following the taxable period. If the return is filed late, a delinquent penalty of 5 percent for each 30 days or fraction thereof of delinquency, not to exceed 25 percent of the net tax due on Line 12 must be entered on Line 13.

NOTE – In addition to the delinquent penalty reported above, a taxpayer may also incur a negligence penalty if circumstances indicate willful negligence or intentional disregard of rules and regulations.

Line 14, Columns A, B, C, D and E – Interest: A return becomes subject to interest charges on the 21st day of the month following the taxable period. Interest is imposed on the net tax due (Line 12) until paid in full. The monthly interest rate can be found on Form R-1111, Interest Rate Schedule Collected on Unpaid Taxes. Form R-1111 is available on the Department’s website at www.revenue.louisiana.gov. To compute the interest amount due, multiply the monthly interest rate times the net tax due times the number of months late for each column and enter on Line 14.

Line 15, Columns A, B, C, D and E – Total tax, penalty and interest: This line equals the total tax, penalty, and interest due on this return before any additional amounts donated to The Louisiana Military Family and Assistance Fund.
