2022 Louisiana School Expense Deduction Worksheet

Your Name Your Social Security Number

- I. This worksheet should be used to calculate the three School Expense Deductions listed below. These deductions may only be taken for school expenses paid in Louisiana during the time a person was a Louisiana resident. Refer to Revenue Information Bulletin 12-008 and 09-019 on LDR's website for more information. Expenses paid with amounts deducted as START K12 Savings Program Contributions are not eligible for this deduction.
1. Elementary and Secondary School Tuition - R.S. 47:297.10 provides a deduction for amounts paid during the tax year for tuition and fees required for your dependent child's enrollment in a nonpublic elementary or secondary school that complies with the criteria set forth in Brumfield v. Dodd and Section 501(c)(3) of the Internal Revenue Code or to any public elementary or secondary laboratory school that is operated by a public college or university. The school can verify that it complies with the criteria. The deduction is equal to the actual amount of tuition and fees paid per dependent, limited to \$5,000. The tuition and fees that can be deducted include amounts paid for tuition, fees, uniforms, textbooks and other supplies required by the school.
2. Educational Expenses for Home-Schooled Children - R.S. 47:297.11 provides a deduction for educational expenses paid during the tax year for home-schooling your dependent child. In order to qualify for the deduction, you must be approved by the State Board of Elementary and Secondary Education (BESE) for home-schooling. The deduction is equal to 50 percent of the actual qualified educational expenses paid for the home-schooling per dependent, limited to \$5,000. Qualified educational expenses include amounts paid for the purchase of textbooks and curricula necessary for home-schooling.
3. Educational Expenses for a Quality Public Education - R.S. 47:297.12 provides a deduction for the fees or other amounts paid during the tax year for a quality education of a dependent child enrolled in a public elementary or secondary school, including Louisiana Department of Education approved charter schools. The deduction is equal to 50 percent of the amounts paid per dependent, limited to \$5,000. The amounts that can be deducted include amounts paid for uniforms, textbooks and other supplies required by the school.
II. On the chart below, list the name of each qualifying dependent and the name of the school the student attends. If the student is home-schooled, enter "home-schooled." Enter an "X" in the box in column 1 if your dependent qualifies for the Elementary and Secondary School Tuition deduction, column 2 for Educational Expenses for Home-Schooled Children deduction, or column 3 for Quality Public Education deduction. If you have more than six qualifying dependents, attach a statement to your return with the required information.

Table with 4 main columns: Student, Name of Qualifying Dependent, Name of School, and Deduction as described above in Section I (sub-columns 1, 2, 3). Rows A-F.

- III. Using the letters that correspond to each qualifying dependent listed in Section II, list the amount paid per student for each qualifying expense. For students attending a qualifying school, the expense must be for an item required by the school. Refer to the information in Section I to determine which expenses qualify for the deduction. Retain copies of cancelled checks, receipts and other documentation in order to support the amount of qualifying expenses. If you checked column 1 in Section II, skip the 50% calculation below; however, the deduction is still limited to \$5,000.

Table for Section III calculation. Columns: Qualifying Expense, A, B, C, D, E, F. Rows include Tuition and Fees, School Uniforms, Textbooks or Other Instructional Materials, Supplies, Total (add amounts in each column), and Deduction per Student - Enter the result or \$5,000, whichever is less.

- IV. Total the Deduction per Student in Section III, based on the deduction for which the students qualified as marked in boxes 1, 2, or 3 in Section II.

Your Federal Adjusted Gross Income must be \$25,000 or less and your child care expenses must have been incurred in Louisiana in order to complete this form. See the instructions

1. Care Provider Information Schedule – Complete columns A through E for each person or organization that provided the care to your child. You may use Federal Form W-10, supplied by your provider, to obtain the information. If your care provider does not provide a Federal Form W-10, complete those parts of the Care Provider Information Schedule for which you have the information. If your child attended a child care facility that participated in the Quality Start program, you must enter the facility license number from Form R-10614 in column D. You must follow the same rules of “Due Diligence” as the IRS requires if you do not have all of the care provider information. See IRS 2022 Publication 503 for information on “Due Diligence.” Retain copies of canceled checks, receipts and other documentation in order to support the amount of qualifying expenses. If additional lines are required for Lines 1 or 2, attach a schedule. Falsification of any information provided on this form constitutes fraud and can result in criminal penalties. The Child Care Credit may only be taken for child care expenses incurred in Louisiana during the time a person was a Louisiana resident.
