General Information for Filing Your 2021 Louisiana Resident Individual Income Tax Return

- Use black ink only.
- Free internet filing is available for most Louisiana taxpayers at www.revenue.louisiana.gov/fileonline.
- See the inside back cover for What's New for 2021.

WHO MUST FILE A RETURN

1. If you are a Louisiana resident who is required to file a federal individual income tax return, you must file a Louisiana income tax return reporting all income earned in 2021.
2. You must file a return to obtain a refund or credit if you overpaid your tax through withholding, declaration of estimated tax, credit carried forward, or by claiming a 2021 refundable child care credit, or a Louisiana earned income credit.
3. If you are **not required to file a federal return** but had Louisiana income tax withheld in 2021, **you must file a return to claim a refund of the amount withheld**. Refer to the IRS requirements for filing in order to determine if you must file a federal return. For additional information, see the NOTE on page 1.
4. Military – If you are military personnel whose home of record is Louisiana and you meet the filing requirements of 1 or 2 above, you must file a return and report all of your income, regardless of where you were stationed. If you are single, you should file Form IT-540, *Louisiana Resident Individual Income Tax Return*, reporting all of your income to Louisiana. If you are married and both you and your spouse are residents of Louisiana, you should file Form IT-540 reporting all of your income to Louisiana.

Any military personnel whose domicile is NOT Louisiana must report any nonmilitary Louisiana sourced income on Form IT-540B, *Louisiana Nonresident Individual Income Tax Return*. The federal Military Spouses Residency Relief Act has extended certain residency protections to spouses of military members. Under this Act, a spouse's state of residence does not change when he or she moves to a new state to be with a servicemember who is under military orders to be in the new state. A spouse who is NOT a resident of Louisiana but is in Louisiana solely to be with a Louisiana stationed servicemember who is NOT a resident of Louisiana must report all Louisiana sourced income other than wages, interest, or dividends, on Form IT-540B. Income earned within or derived from Louisiana sources such as rents, royalties, estates, trusts, or partnerships is taxable to Louisiana. See Revenue Information Bulletin 10-005 for more information.

If you are married and one of you is not a resident of Louisiana, you may file as a resident (Form IT-540) or a nonresident (Form IT-540B), whichever is more beneficial to you and your spouse. Resident taxpayers are allowed a credit for income tax paid to another state on nonmilitary income or on income earned by your spouse if that income is included on the Louisiana return. Use Nonrefundable Priority 1 Credits, Schedule C, Line 1 to report taxes paid to another state.

Louisiana residents who are members of the armed services and were stationed out-of-state for 120 or more consecutive days on active duty may be entitled to an exemption of up to \$30,000 of military income. See the instructions for Schedule E, Code 10E.

5. Professional Athletes – Louisiana Administrative Code (LAC) 61:III.1527 requires all professional athletes that participate in athletic events within Louisiana to file all tax returns, including extension requests, electronically. Nonresident professional athletes must file Form IT-540B, *Louisiana Nonresident Individual Income Tax Return*, and Schedules NRPA-1 and NRPA-2, electronically.
6. A temporary absence from Louisiana does not automatically change your domicile for income tax purposes. You must confirm your intention to change your domicile to another state by actions taken to establish a new domicile outside of Louisiana and by actions taken to abandon the Louisiana domicile and its privileges. Examples of establishing a domicile include registering to vote, registering and titling vehicles, obtaining a driver's license, changing children's school of attendance, obtaining a homestead exemption, or any other actions that show intent to establish a new domicile outside of Louisiana. These are intended as examples and do not necessarily indicate a change in domicile. You are considered to be a Louisiana resident if you continue to maintain a residence in Louisiana while working in another state. Use Nonrefundable Priority 1 Credits, Schedule C, Line 1 to report taxes paid to another state.
7. Surviving Spouses, Executors, Administrators, or Legal Representatives – A final return for a decedent must be filed if you are the surviving spouse, executor, administrator, or legal representative, and the decedent met the filing requirements at the date of death. If both conditions apply, mark the decedent box on the face of the return for the appropriate taxpayer and attach a copy of the death certificate. If a refund is due to the decedent's estate, survivor, etc., you must also complete and attach Form R-6642, *Statement of Claimant to Refund Due on Behalf of Deceased Taxpayer*.

FORMS

Forms and instructions are on the Louisiana Department of Revenue (LDR) website, www.revenue.louisiana.gov/taxforms.

AMENDED RETURNS

If you file your income tax return and later become aware of any changes you must make to income, deductions, exemptions, or credits, you must file an amended (corrected) Louisiana return. You must use the correct form for the tax year being amended, mark an "X" in the "Amended Return" box on the face of the return, include an explanation of the change and a copy of the federal amended return, Federal Form 1040X, if one was filed. If you are amending your income tax return due to utilizing a Net Operating Loss (NOL) carryback, you must mark an "X" in the "Amended Return" box and also in the "NOL Carryback" box on the face of the return, include an explanation of the change and a copy of the federal amended return, Federal Form 1040X, if one was filed.

NOTE: Do not make any adjustments for refunds received or for payments made with the original return. This information is already on file.

FEDERAL TAX ADJUSTMENTS

Louisiana Revised Statute (R.S.) 47:103(C) requires taxpayers whose federal returns are adjusted to furnish a statement disclosing the nature and amounts of the adjustments within 60 days after the adjustments have been made and accepted. This statement must accompany the amended state return.

WHEN TO FILE

1. A 2021 calendar year return is due on or before May 15, 2022.
2. Returns for fiscal years are due on or before the 15th day of the fifth month after the close of the taxable year.
3. If the due date falls on a weekend or legal state holiday, the return is due the next business day.

WHERE TO FILE AND PAY TAX

Enter your legal name and Social Security Number on your return and any correspondence. **NOTE:** On a joint return, list the names and the Social Security Numbers on Form IT-540 in the same order that you listed them on your federal return.

A return for which a **payment** is due must be mailed to P.O. Box 3550, Baton Rouge, LA 70821-3550. **Print the last four digits of your Social Security Number on your check or money order. DO NOT SEND CASH. An electronic payment option is available on the LDR website at www.revenue.louisiana.gov/latap.**

You can also pay your taxes by credit card over the internet or by telephone. Visit www.revenue.louisiana.gov for more information.

All other individual income tax returns must be mailed to P.O. Box 3440, Baton Rouge, LA 70821-3440.

EXTENSION OF TIME FOR FILING A RETURN

The Secretary of the Louisiana Department of Revenue may grant an extension of time for filing returns not to exceed six months from the date the Louisiana income tax return is due. **State extensions must be filed before the due date of the return.** An extension can be requested on the LDR website at www.revenue.louisiana.gov/fileonline. See instructions for options and the electronic filing mandate.

By requesting an extension, you are only requesting additional time to file your tax return. An extension does not extend the time to pay the tax. Payments received after the due date will be charged interest and penalties.

INSTALLMENT REQUEST

If you are unable to pay the balance in full by the due date, you may submit an installment request using Form R-19026, *Installment Request for Individual Income*, which is available on the LDR website. You may also submit the request by accessing your account at www.revenue.louisiana.gov/latap. There is a fee of \$105 to establish a standard installment payment agreement.

INTEREST AND PENALTIES

See Interest and Penalty Calculation Worksheet later in the instructions.

KEEP YOUR RECORDS

You should keep copies of federal and state tax returns and W-2 statements for four years. In most cases, you do not have to submit a copy of your federal return with your state return unless requested by LDR. If you have completed Schedule H to claim federal disaster relief credits, submit the specified forms as indicated in the instructions.

CONSUMER EXCISE TAX RETURN

Louisiana imposes an excise tax on tobacco products and alcoholic beverages. If you purchased any of these products on the internet or through the mail, you are required to pay the excise tax on those products. You must use Form R-5629, *Consumer Excise Tax Return*, to report and pay the tax due on these products.

Instructions for Preparing Your 2021 Louisiana Resident Income Tax Return Form (IT-540)

ABOUT THIS FORM

The return has been designed for electronic scanning, which permits faster processing with fewer errors. In order to avoid unnecessary delays caused by manual processing, taxpayers should follow the guidelines listed below:

1. Enter amounts only on those lines that are applicable.
2. Use only a pen with **black ink**.
3. Because this form is read by a machine, enter your numbers **inside the boxes** like this:

0	1	2	3	4	5	6	7	8	9	X
---	---	---	---	---	---	---	---	---	---	---

4. All numbers should be rounded to the nearest dollar. Numbers should NOT be entered over the pre-printed zeros, in the boxes on the far right, which are used to designate cents (.00).
5. To avoid any delay in processing, use this form for **2021** only.
6. If you are filing an amended return, mark an "X" in the "Amended Return" box on the face of the return.

Nonresidents must use Form IT-540B to file their Louisiana return. Part-year residents have the option to file a resident or nonresident return, whichever is more beneficial. See Revenue Ruling 05-008 on LDR's website. Nonresident professional athletes must electronically file Form IT-540B and Schedules NRPA-1 and NRPA-2.

NAME, ADDRESS, AND SOCIAL SECURITY NUMBER – Enter your legal name, address, daytime telephone number, Social Security Number, and date of birth on your return. For the unit type, use postal abbreviations such as APT, FL, STE, and RM. If you have a foreign address, enter the city name in the appropriate space. Follow the country's practice for entering the postal code and the name of the province, county, or state. Enter the foreign country name in the appropriate space. Don't abbreviate the country name.

If there is a change in your name or address since last year's return (for example, new spouse), mark an "X" in the "Name Change" or "Address Change" box. LDR automatically updates your account when you change your address with the Post Office. A direct address change can be accomplished by marking the "Address Change" box when filing your return, or can be submitted by accessing your account at www.revenue.louisiana.gov/latap. If married, enter Social Security Numbers and date of birth for both you and your spouse. On a joint return, your names and Social Security Numbers must be listed in the same order that you listed them on your federal return.

NOTE: If you are not required to file a federal return, but had Louisiana income tax withheld in 2021, complete Lines 1 through 6D. In the appropriate boxes above Line 7, enter the total amount of wages and income and mark the box to the right. Skip to Line 13, enter zero "0" and complete the remainder of the return. You must enter the total amount of wages and income in the boxes above Line 7. Failure to do so will result in processing delays.

Lines 1-5 – Filing status – You must use the same filing status on your Louisiana return as you did on your federal return. In the box on the left, enter the number corresponding to your filing status: "1" for Single, "2" for Married Filing Jointly, "3" for Married Filing Separately, "4" for Head of Household, and "5" for Qualifying Widow(er). Head of Household status is for unmarried people who paid over half the cost of keeping up a home for a qualifying person. If you file as Head of Household or Qualifying Widow(er), you must show the child's name if the qualifying person is a child but not your dependent.

Lines 6A and 6B – Exemptions – Mark an "X" in the appropriate boxes. You must use the same number of exemptions on your Louisiana return as you did on your federal return, unless: you are listed as a dependent on someone else's return, you are age 65 or over, you are blind, or your filing status is Qualifying Widow(er). You must claim an exemption for yourself on Line 6A, even if someone else claimed you on their federal tax return. This box has already been marked with an "X" for you.

Line 6C – Enter the names of the dependents claimed on your federal return. Complete the required information. If you have more than 6

dependents, attach a statement to your return with the required information. In the box on Line 6C, enter the total number of dependents claimed.

Line 6D – Add Lines 6A, 6B, and 6C.

Line 7 – Enter the amount of your Federal Adjusted Gross Income. This amount is taken from Federal Form 1040 or 1040-SR, Line 11. If your Federal Adjusted Gross Income is less than zero, enter "0."

If you have any exempt income or deductions other than what is reported on Line 8C or Line 9, you need to complete Schedule E to determine your Louisiana Adjusted Gross Income. In order to complete Schedule E, you may need to first compute your modified federal income tax deduction on Schedule H if you claimed federal disaster relief credits on your 2021 federal return. Mark an "X" in the box on Line 7 if the amount from Schedule E, Line 5C, is used.

Lines 8A, 8B, and 8C – If you did not itemize your deductions on your federal return, skip Lines 8A, 8B, and 8C and go to Line 9.

Line 8A – If you itemized your deductions on your federal return, enter the amount of your federal itemized deductions, shown on Federal Form 1040 or 1040-SR, Schedule A, Line 17.

Line 8B – If you itemized your deductions on your federal return and your filing status is 1 or 3, enter \$12,550; 2 or 5, enter \$25,100; 4, enter \$18,800.

Line 8C – Subtract Line 8B from Line 8A. If less than zero, enter zero "0."

Line 9 – If you claimed federal disaster relief credits on your federal return as a result of Hurricane Katrina or Hurricane Rita, you must complete Schedule H to determine your modified federal income tax deduction for Louisiana. The federal disaster relief credits claimed for this year and allowed by the IRS could be credits that are carried forward from previous years. However, the credits must be utilized on your federal return. Attach a copy of your federal return that indicates the amount of the credit, a copy of Federal Form 3800, and a copy of the appropriate IRS form to substantiate the amount of the credit.

If you **have not** claimed federal disaster relief credits, use the worksheet below to calculate your federal income tax deduction and enter the result on Line 9.

Consumer Use Tax Worksheet

Under La. R.S. 47:302(K), LDR is required to collect a 8.45 percent tax on out-of-state purchases subject to use tax. This 8.45 percent rate (which includes 4 percent to be distributed by LDR to local governments) is in lieu of the actual rate in effect for your area, and is payable regardless of the actual combined state and local rate for your area.

This law ensures that Louisiana businesses are not at a competitive disadvantage with out-of-state businesses who are not required to collect sales tax.

General Information about Disaster Relief Credits for Hurricane Katrina or Hurricane Rita

Federal Disaster Relief Credits

Louisiana provides a deduction for federal income taxes paid on Louisiana income. Generally, when the federal income tax liability is decreased by federal credits, the amount of the Louisiana income tax liability increases. R.S. 47:293(4)(b) expands the relief granted to Louisiana taxpayers who claimed certain disaster credits granted for **Hurricane Katrina or Hurricane Rita**. To avoid paying additional income tax, Louisiana taxpayers who received these federal credits may increase the amount of their Louisiana federal income tax deduction by the amount of certain disaster relief credits claimed on the 2021 federal income tax form. Louisiana Administrative Code (LAC) 61:1.601 designated the following federal credits which were earned pursuant to either the Katrina Emergency Tax Relief Act of 2005 or the Gulf Opportunity Zone Act of 2005 as disaster relief credits:

1. Employee Retention Credit
2. Work Opportunity Credit
3. Rehabilitation Tax Credit
4. Employer-Provided Housing Credit
5. Low Income Housing Credit
6. New Markets Tax Credit

Interest and Penalty Calculation Worksheets

You will be charged interest and penalties if you do not pay all amounts due on or before the due date.

1. A 2021 calendar year return is due on or before May 15, 2022.
2. Returns for fiscal years are due on or before the 15th day of the fifth month after the close of the taxable year.
3. If the due date falls on a weekend or legal state holiday, the return is due the next business day.

Important: An extension does not relieve you of your obligation to pay all tax amounts due by the original due date.

Interest – If your income tax is not paid by the due date, you will be charged interest on the unpaid tax until the balance is paid in full. The interest rate is variable and the 2022 interest rate is posted on LDR’s website on Form R-1111, *Interest Rate Schedule - Collected on Unpaid Taxes*. To compute the DAILY INTEREST RATE, multiply the 2022 monthly interest rate by 12 then divide the result by 365 and carry out to seven places to the right of the decimal. Example: Assume the 2022 monthly interest rate is 0.5833 percent, multiply 0.00583 by 12 then divide the result by 365 to get the daily interest rate of 0.0001917.

Interest Calculation Worksheet

The penalty is five percent of the tax for each 30 days or fraction thereof during which the failure to file continues. The maximum delinquent filing penalty that can be imposed is 25 percent of the tax due.

Delinquent Filing Penalty Calculation Worksheet		
1	Number of days late from your due date, or your approved extension date	
2	Divide Line 1 by 30 days.	÷30
3	Number of 30-day periods (If fraction of days remain, increase the amount to the nearest whole number.)

Important Notice: The sum of both the delinquent filing and delinquent payment penalties cannot exceed 25 percent of the tax due. Thirty-day increments are used for the calculation of the delinquent filing and delinquent payment penalties. These penalties are based on the date LDR receives the return or payment. In addition to the delinquent penalties, you may also incur a negligence penalty under R.S. 47:1604.1 if circumstances indicate willful negligence or intentional disregard of rules and regulations.

Delinquent Payment Penalty – If you fail to pay the tax due by the due date, a delinquent payment penalty of 0.5 percent of the tax not paid by the due date will accrue for each 30 days, or fraction thereof, during which the failure to pay continues. This penalty cannot exceed 25 percent of the tax due. Use the worksheet below to calculate that penalty.

Delinquent Payment Penalty Calculation Worksheet		
1	Number of days late from the due date	
2	Divide Line 1 by 30 days.	÷30
3	Number of 30-day periods (If fraction of days remain, increase the amount to the nearest whole number.)	
4	30-day penalty percentage	.005
5	Total penalty percentage (Multiply Line 3 by Line 4. The result cannot exceed 25 percent.)	
6	Amount you owe (Form IT-540, Line 39)	.00
7	Total amount of delinquent payment penalty (Multiply Line 6 by Line 5 and enter the result on Form IT-540, Line 45.)	.00

Underpayment Penalty – Louisiana imposes an underpayment penalty on an individual’s failure to sufficiently pay income tax throughout the year by withholding or declaration payments. In order to determine if an underpayment penalty is due and to compute the amount of the underpayment penalty, you must complete Form R-210R, *Underpayment of Individual Income Tax Penalty Computation*, and attach the completed form to your return. See Revenue Information Bulletin 04-004 for the definition of farmer for purposes of applying underpayment penalty.

Line 33 – Although you may have an overpayment, if you failed to sufficiently pay income tax throughout the year, in accordance with R.S. 47:117.1, you may be subject to the underpayment penalty. Complete the 2021 Form R-210R available on LDR’s website and enter the amount from Line 19 on Line 33. Attach the completed Form R-210R to your return. If you are a farmer, mark the box on Line 33.

Line 46 – If you have a tax deficiency, you may be charged an underpayment penalty. Complete the 2021 Form R-210R and enter the amount from Line 19 on Line 46. Attach the completed Form R-210R to your return. If you are a farmer, mark the box on Line 46.

Extension of Time for Filing a Return

The Secretary of LDR may grant an extension of time for filing returns not to exceed six months from the date the Louisiana income tax return is due. **Extensions must be filed before the due date of the return.** All extension requests filed by a tax preparer subject to the electronic filing mandate under LAC 61:III.1501 are mandated to be filed electronically under LAC 61:III.2501.

The four options for requesting an extension are as follows:

1. Filing an extension request electronically via LDR's website at www.revenue.louisiana.gov/fileonline or www.revenue.louisiana.gov/extensions;
2. Filing an extension request electronically via LDR's IVR phone system by calling 225-922-3270 or 888-829-3071. For an extension

request, select option #3, then select option #1. Taxpayers will need the social security number of the primary account holder to request the extension;

3. Submitting a state extension to LDR by "checking the state extension box" included in the tax preparation software for an electronically-filed return; or
4. Mailing Form R-2868, *Application for Extension of Time to File Louisiana Individual Income Tax Return*, to LDR.

By requesting an extension, you are only requesting additional time to file your tax return. An extension does not extend the time to pay the tax. Payments received after the due date will be charged interest and penalties.

2021 Louisiana Child Care Credit Instructions

R.S. 47:297.4 allows a state tax credit for child and dependent care expenses allowed by Internal Revenue Code Section 21. The credit is refundable for taxpayers whose Federal Adjusted Gross Income is \$25,000 or less and is nonrefundable for taxpayers whose Federal Adjusted Gross Income is more than \$25,000. Retain copies of canceled checks, receipts and other documentation in order to support the amount of qualifying expenses.

INCOME EQUAL TO OR LESS THAN \$25,000

Taxpayers whose Federal Adjusted Gross Income is \$25,000 or less are allowed a refundable credit whether or not a federal child care credit has been claimed. In order to claim the Louisiana Refundable Child Care Credit, the taxpayer must comply with the same law and rules of Internal Revenue Code Section 21 that governs the federal child care credit for the 2021 taxable year. Use Lines 1 through 11 of the Louisiana Refundable Child Care Credit Worksheet to compute your refundable credit. See instructions for the worksheet below.

INCOME GREATER THAN \$25,000

Taxpayers whose Federal Adjusted Gross Income is greater than \$25,000 are allowed a credit against their Louisiana income tax liability for a certain percentage of their federal child care credit. If you are unable to claim the credit in the year in which it is earned, the unused portion of the credit can be used over the next five years. Use Lines 1 through 15 of the 2021 Louisiana Nonrefundable Child Care Credit Worksheet to compute your 2021 nonrefundable credit, and to appropriately claim any carry forward you may have from previous years.

REFUNDABLE CHILD CARE CREDIT INSTRUCTIONS

1. Your Federal Adjusted Gross Income must be \$25,000 or less to claim a Louisiana refundable child care credit. If you did not file and claim a federal child care credit, you may still file for, and receive, a refundable Louisiana Child Care Credit, if you meet certain criteria. In order to qualify for the Louisiana credit, you must meet the **same tests** for earned income, qualifying dependents, and qualifying expenses as required by the IRS for the federal child care credit.
2. In order to claim your Louisiana Child Care Credit, you must meet the following requirements:
 - A. Your filing status must be single, head of household, qualifying widow(er), or married filing jointly. See item number 3 below for information on married filing separately.
 - B. The care was provided to your dependent child to allow you, and your spouse if married filing jointly, to work or look for work. If you did not find a job and have no earned income for the year, you cannot claim the credit.
 - C. The qualifying child must be under age 13.
 - D. The person who provided the care cannot be your spouse, the parent of the qualifying child, or a person whom you can claim as a dependent. If your child provided the care, he cannot be your dependent and must be age 19 or older by the end of 2021.

3. If your filing status is married filing separately, you will be considered single for purposes of calculating the credit if all of the following apply:

- A. You lived apart from your spouse during the last 6 months of 2021.
- B. Your qualifying dependent child lived in your home for more than half of 2021.
- C. You provided over half the cost of keeping up your home.

If you meet all these requirements and meet the requirements of 2(B), 2(C), and 2(D), you are eligible for the credit.

DEFINITIONS

Qualifying Child – A child under age 13 who can be claimed as a dependent by the taxpayer. If the child turned 13 during the year, the child qualifies for the part of the year he was under age 13.

Qualified Expenses – Amounts paid for household services and care of the qualifying person while the taxpayer worked or looked for work. Child support payments are not qualified expenses. Also, expenses reimbursed by a state social service agency are not qualified expenses unless the reimbursement was included in the taxpayer's income. Prepaid expenses are treated as paid in the year the care was provided. Do not include the following as qualified expenses for 2021:

1. Expenses incurred in 2020 but did not pay until 2021.
2. Expenses incurred in 2021 but did not pay until 2022.
3. Expenses prepaid in 2021 for care to be provided in 2022.

Dependent Care Benefits – These include amounts your employer paid directly to either you or your care provider for the care of your qualifying child while you worked. Also, dependent care benefits include the fair market value of care in a daycare facility provided or sponsored by your employer and any pre-tax contributions you made under a dependent care flexible spending arrangement (FSA). Your salary may have been reduced to pay for these benefits. If you received dependent care benefits, they should be shown on your 2021 Forms W-2 in box 10.

Earned Income – Earned income includes wages, salaries, tips, other taxable employee compensation, and net earnings from self employment. A net loss from self employment reduces earned income. Earned income also includes strike benefits, any disability pay you report as wages, and other taxable compensation. You can elect to include nontaxable combat pay in earned income. Earned income does not include: pensions and annuities, social security payments, workers' compensation, interest, dividends, or unemployment compensation, scholarship or fellowship grants, nontaxable workfare payment, or any amount received for work while an inmate in a penal institution.

For additional definitions, details, and information, see the Internal Revenue Service's Publication 503.
